| 1 | Speaker | | (00:07)我哋嘅世界係充滿住可能性, |
| | | | 而聯合世界書院就係呢一個幫大家去 |
| | | | 打開門,去打開好多可能性嘅一個地 |
| | | | 方。佢 transform 咗我,亦都 |
| | | | transform 咗我身邊嘅人,真係,佢 |
| | | | 都話咗畀我哋聽原來係做得到啤喎。 |
| 2 | Speaker | (00:23)The biggest lesson I learnt at | |
| | | XXX was the value of self and how | |
| | | much you can give and how much | |
| | | one person can do. | |
| 3 | Speaker | (00:34) I think the seed of my | |
| | | passion in the environment was | |
| | | planted due to my time here in XXX. | |
| | | I enjoyed geography so much but | |
| | | when I came to XXX, geography | |
| | | was something that I, I was really | |
| | | excited about, and I learnt much | |
| | | more about the intersaction between | |
| | | humanity and the environment, and | |
| | | that actually planted the seed for my | |
| | | university concentration as well as | |

| 4 | Speaker | | (00:59)每個禮拜都係一個 journey 嚟 |
| | | | 嘅,又要兼顧學業方面,但係同時間 |
| | | | 又要參與唔同嘅活動。 |
| 5 | Speaker | (01:06)Receiving scholarship was | |
| | | life-changing. I could not have | |
| | | attended without that scholarship. | |
| | | This opportunity would have never | |
| | | happened. Coming to my graduate | |
| | | programme here in Beijing and | |
| | | being the first XXX XX scholar here | |
| | | at XX, none of them would ever | |
| | | have happened if that opportunity of | |
| | | being accepted, and the facilitation | |
| | | of that opportunity, the aid, it would | |
| | | never happen. So I owe my life to | |
| | | that kindness and that gift, that gift of | |
| | , , | education. | |
| 6 | Speaker | (01:45)And we have friends just | |
| | | walking around campus without any | |
| | | shoes on like they, they just walked | |
| | | around in bare feet. They're very | |
| | | loose, very carefree, easy to make | |

| | about anything and everything and I | |
| | think that was inspiring to me. | |
| Speaker | (02:01)People were asked during | |
| | their selection interviews whether | |
| | they wanted to go to this new | |
| | college in Hong Kong which didn't | |
| | even exist at the time. I said yes and | |
| | that was probably one of the best | |
| | decisions I've made in my life. The | |
| | biggest impact that YYY has had on | |
| | me is I started working for | |
| | organizations that really show the | |
| | power of values and also the power | |
| | of volunteers to change the world. | |
| Speaker | | (02:28)我希望欸,XXX 可以繼續欸 |
| | | 貫徹欸過往嘅一直有嘅 values。 |
| Speaker | (02:34)It's like coming back to a safe | |
| | space. I think what impacted me the | |
| | most about YYY and, you know, | |
| | XXX experience was that I think it | |
| | opened my mind at a very early age | |
| | and to think critically and you know, I | |

| 10 | Speaker | (02:50)One way in which I try to live | |
| | | the YYY mission is that I try to stay | |
| | | idealistic. I also try to ask myself | |
| | | everyday, is what I'm doing right | |

| 11 | Speaker | | (03:07)我對 XXXXX 書院嘅寄望係, |
| | | | 其實真係各個階層嘅香港人都認識, |
| | | | 原來香港有一個咁有趣又咁 eye |
| | | | opening 嘅一個地球村,呢個係我哋 |
| | | | 一個教育嘅其中一個選擇嚟嘅。 |
| 12 | Speaker | (03:26)I really just can't wait to see | |
