

# A World Without Language Barriers

## Your source for world-class multilingual communications solutions

For more than 20 years, INTLINGO's global network of language experts has delivered the highest-quality translation and multilingual services available to professionals and businesses in Hong Kong, mainland China and around the world.

01

### YOUR MESSAGE

At INTLINGO, we understand the importance of accurately conveying your message to customers and clients—especially across language barriers. Our linguists maintain the highest standards of precision in the industry, with zero tolerance for error, while giving careful attention to linguistic and cultural nuance.

02

### YOUR INDUSTRY

Our team members are not only highly-trained native language experts but also qualified subject specialists with relevant professional experience. INTLINGO's areas of specialization include finance, law, marketing and corporate communications, and various technical sectors.

03

### YOUR PEACE OF MIND

INTLINGO's long list of discerning clients includes top-tier law firms, major financial institutions and insurance companies, blue-chip corporations and Fortune-500 companies. Contact us and let's discuss how INTLINGO can solve your organization's specific challenges.

04

### OUR RESOURCES

Based in Hong Kong and with offices in Beijing, Shenzhen, Wuhan and New York, INTLINGO Holdings Ltd includes four esteemed language solution providers (IntLingo HK, Diners, GFS and HK Legal) with nearly 70 years of combined experience. Our vast network of in-house and in-country specialists have expertise in virtually any language pairing, and our global reach enables INTLINGO to offer 24/7/365 customer support, ensuring seamless, on-time delivery of your project.

## Our Specializations

INTLINGO's language professionals are among the most highly-trained and technologically-savvy specialists in the industry, keeping abreast of the latest developments in IT, software, knowledge assets and AI to offer cutting-edge language services in a variety of sectors:

### FINANCIAL

INTLINGO is known for flawless translation and project management of IPO prospectuses, annual reports, financial statements and more. The global deployment of our offices ensures a reliable backup system and preparedness for any local contingency.

- Comprehensive knowledge of regulatory standards
- Large team of in-house linguists
- Confidentiality and IT security
- Continuous 24/7/365 project support

### CORPORATE COMMUNICATIONS & PUBLIC RELATIONS

Having built productive long-term relationships with numerous major corporate clients in Hong Kong and abroad, we understand the importance of clear, effective communications within your own organization, to your partners and to your customers. Whether you need to clarify your company mission and values, develop employee training materials, increase brand recall through catchy slogans and campaigns, or design press releases that pack a punch, our experts can help you transcend language barriers with ease.

- One-stop source for internal and external corporate communications solutions
- Dedicated project manager for each account
- Strict confidentiality and full regulatory compliance

### LEGAL

INTLINGO is the language partner of choice for top law practices and professionals in Hong Kong. Our expertise encompasses contracts, DMCs, depositions, arbitration and litigation documents in civil law, commercial law, criminal law and other fields. Our extensive cross-border legal knowledge bank, corpus collection and glossaries guarantee top-notch deliverables.

- Linguists with legal expertise to match each client project
- Razor-sharp precision and attention to detail
- Rapid turnaround for tight deadlines

### TECHNICAL SECTORS

Our technical team has broad experience translating precise technical materials such as user manuals and service instructions in a variety of sectors including automotive, aviation, chemical engineering, telecommunications, information technology, and life science.

- Precise, clear, consistent and technically-accurate translations
- Rigorous protection of client knowledge assets
